CAREER OBJECTIVE

I am a seasoned Full Stack Web and Mobile Developer with over 6 years of experience in delivering exceptional digital solutions. My expertise spans a wide range of technologies including HTML/CSS, JavaScript, PHP, TypeScript, and frameworks such as React, Next.js, and Nuxt.js for web development, while for mobile development, I specialize in Flutter, React Native, and native iOS development. I have a proven track record of developing user-friendly websites and mobile applications that meet and exceed client expectations. I am committed to continuous learning and innovation in the ever-evolving field of technology.

WORK EXPERIENCE

FULL STACK DEVELOPER - Oxy Creative / Jakarta – Jan 2021 – Mar 2024

- Developed a Private Swift Framework for SDK creation, iOS applications using UIKit and SwiftUI, and plugins for Flutter and React Native. And develop app for client, and app demo for private frameworks
- Successfully published apps on the App Store and plugins on CocoaPods.
- Created comprehensive documentation for plugins and SDKs.
- Utilized smart design techniques to optimize SaaS systems for efficiency and scalability.

FRONTEND DEVELOPER – PT. Djelas Tanda Tangan Bersama / Jakarta – Jun 2021 – Feb 2024

- Part of OXY Creative's Outsource Team.
